**Fund Scholarships:**

For an investment of \$2,500 or more, you may establish a scholarship fund to underwrite costs for participants to attend the statewide Town Hall. While many diverse individuals are invited, the fees or time away from work often prevents their participation. A scholarship fund will help to alleviate some of those issues.

Local legislators, teachers, and members of underrepresented groups are just some examples of who can benefit from an established scholarship fund.

*“The Town Hall experience was not only instrumental for facilitating networking opportunities with like-minded colleagues sharing common interests and goals, but it also helped build lasting partnerships and friendships that continue to benefit our state.”*

– Jeff Prevatt, *Manager, Compliance and Regulatory Affairs,*  
*Pima County Regional Wastewater Reclamation Department (RWRD)*
