

FINANCING ARIZONA'S FUTURE

Discussion Questions for Community and Future Leaders Town Halls

1. What should be the principal attributes or goals for Arizona's state government finance system? Consider the guiding principles referenced in the background information as well as short and long term needs for government financing.
2. To what extent is Arizona's government financing system successful? To what extent does Arizona's government financing system meet the short and long term needs of Arizonans?
3. What could be done, and by whom, to strengthen and improve Arizona's government financing system?
4. If you could tell Arizona's elected leaders just one thing about Arizona's government financing system, what would you tell them, and what action would you ask them to take?
5. What one action will you take as a result of your participation in this Future Leaders Town Hall? Consider how you might change the conversation about Arizona's government financing system in a manner that focuses on constructive solutions, becoming politically engaged to advocate for needed policy change, and any other action you consider helpful or appropriate.
