

## **Leslie Dornfeld**

### **Principal Owner, PLAN\*et Communities**

Leslie has over two decades of diverse and recognized public and private sector community, parks and recreation, and pedestrian planning experience. Leslie was inducted in the College of Fellows of the American Planning Association in 2012 and is an active member of the Urban Land Institute, Arizona Technical Assistance Panel Committee, and past chair of the City of Phoenix Complete Streets Advisory Committee. She served three separate terms on the Board of the Arizona Planning Association and chaired the AZ Planning Association Awards committee for four years and taught as an adjunct professor and guest lecturer for ASU and the University of Pennsylvania in their planning and landscape architecture schools. Inducted into the American Association of Certified Planners College of Fellows (FAICP) in 2012, and a Certified Sustainable Building Advisor, Leslie received her undergraduate degree from Vassar College (AB) a Master of City Planning (MCP) from the University of Pennsylvania.

Leslie's career highlights include award-winning projects such as the American Planning Association National Planning Achievement Award for Urban Design Greening Lower Grand Avenue Plan, the Michigan Association of Planning Award of Excellence for the Wickes Park Plan – developed through an APA Community Planning Action Team led by Leslie, the Arizona Planning Association Awarded Town of Florence Redevelopment Plan, Queen Creek 2030 and Casa Grande 2020 General Plans, Goodyear City Center Specific Master Plan; Phoenix Indian School Plan; Desert Spaces Plan, and Pedestrian Area Policies and Design Guidelines for the Maricopa Association of Governments.
